Re.: external sound reduction

Dear: Mr. Josh Oldfield,

In response of your question concerning the external sound reduction of a Bobcat Loader, We, Bobcat of Boston, Inc. would like to formally state that at this time there is no option or accessory available to reduce or eliminate external noise from the Bobcat Loader.

We apologize for any problems that this may cause and look forward to doing business with you in the future.

Sincerely,

Steven J. Arsenault
Bobcat of Boston, Inc.
President
