
VARIANCES

CHAPTER 16 **VARIANCES**

Any person may request a variance from any provision of these Regulations by filing a written application with the Board of Health. The Board of Health shall consider the application at a public hearing scheduled with no less than two weeks prior notice to the public in a newspaper of general circulation in the Town of Milton. Such notice to the newspaper is the responsibility of the person requesting the variance.

The Board of Health may grant a variance from any provision of these Regulations only if it finds that enforcement thereof would do manifest injustice, provided that the variance granted will have no substantial detriment to the public health and safety of the Town of Milton and that the variance will not derogate from the intent and purposes of these Regulations.

Any variance granted by the Board of Health shall be in writing. A copy of any such variance shall, while it is in effect, be available to the public at all reasonable hours in the Board of Health office.
