RE: Community Preservation Committee Eligibility Application
Milton Landing Boat Ramp Design and Construction

Dear Nick:

Thank you for submitting your eligibility application for CPA funding for the above captioned project. The committee has deemed your project eligible for funding under the Community Preservation Act (CPA) and invites you to submit a full funding application, due by noon Friday, September 27, 2024.

As you may know, the committee received over \$4.5 million in funding requests while we have a budget of just over \$1 million. Difficult decisions will have to be made. It will be important for you to take a hard look at your budget and think if there might be additional outside funding for your project.

Sincerely,

A handwritten signature in dark ink, appearing to read "The Call", is centered below the "Sincerely," text. The signature is written in a cursive, flowing style.
