RE: Community Preservation Committee Eligibility Application;
Peverly Park Playground

Dear Jackie, Lisa, and Kevin:

Thank you for submitting your eligibility application for CPA funding for the above captioned project. It was exciting to see the progress this project has made with the planning/design funds previously awarded. The CPC has deemed your project eligible for funding under the Community Preservation Act (CPA) and invites you to submit a full funding application, due by noon Friday September 27.

For your funding application we hope you will advance your implementation planning by seeking further cost estimates for construction and beginning to implement your outside fundraising efforts. We hope that the seed funding the committee awarded for this year can help with your fundraising.

As was pointed out at the time of your presentation, the committee received over \$4.5 million in funding requests while we have a budget of just over \$1 million. Difficult decisions will have to be made. It will be important for you to take a hard look at your proposal and budget and try to find additional outside funding sources for your project. We hope that when you submit your final Funding Application, you will be able to reduce your request.

Sincerely,
