RE: Application of Mark E. Mignosa and Michael V. Mignosa, Trustees
Antwerp Street Realty Trust - Milton Marketplace
10 Bassett Street, Milton, MA 02186

Dear Chairperson Hall:

As you know, I represent Mark E. Mignosa and Michael V. Mignosa, Trustees of the Antwerp Street Realty Trust.

My clients have directed me, on their behalf, to request that this Application for Modification of a Site Plan Approval be withdrawn without prejudice. Respectfully, I am requesting that the Planning Board to post a meeting to vote to accept the withdrawal of said Application as soon as possible.

My clients and I want to thank you and the Planning Board members for hearing this Application over three (3) sessions, and for the ideas and recommendations you have provided myself and my clients with over the last couple of months. My clients hope to return to appear before the Planning Board on a new Application for Modification of a Site Plan approval in the near future once my clients can develop some additional concepts and ideas for said project.

Very truly yours,

Michael F. Modestino
